OGEA Core Union Values

My actions will contribute to positive relationships amongst members and to an empowered union for a healthy school and association climate.

I will express my concerns directly with my OGEA colleagues and labor alliance colleagues and will encourage others to do likewise.

I will refrain from engaging in gossip or criticizing my OGEA colleagues in front of others, especially administration.

I will strive to help other OGEA colleagues and labor alliance colleagues in need.

I will actively engage in respectful discussion and will support the majority decision of OGEA.

Through unity of voice and democratic decision making, Oak Grove Educators Association works to unite our professional colleagues and support innovative instruction for the benefit of all students and the community. We advocate for, and are committed to, quality public education. To these ends we promote and defend the well-being and rights of our members and our children.
